ART PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN

Snowdon from Llyn Llydaw Snowdon, the highest mountain in England and Wales, is, at Y Wyddfa, its highest point, 3,570 feet above the level of the sea. Mountains little less majestic stand around it, and at least a score of lakes lie at its feet and reflect its beauty. The largest of these is Llyn Llydaw, one mile long. Ireland is easily to be seen from the summit in fair weather, and Scotland may sometimes be descried.
